### A MESSAGE FROM MAYOR NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, I am pleased to welcome you to the International Pipeline Conference 2018.

It is integral that we continue to have thoughtful and informed discussions around the responsible development of pipelines. Conferences such as this provide the opportunity for industry leaders from around the world to come together to share ideas around best practices and innovations that help the sector meet its obligations in a responsible way.

I commend everyone involved in organizing the International Pipeline Conference 2018 including all of the Calgary-based companies who lend their time and expertise to host a successful event.

I hope those of you visiting Calgary have the opportunity to explore everything our city has to offer, from the incredible parks and pathways, to the wonderful dining and shopping experiences. I wish you all a productive and informative conference.

Congratulations!

Sincerely,

Naheed K. Nenshi
