

ASME InterPACK 2018, Track 6:  
**Industry, National Lab and Academia Posters**

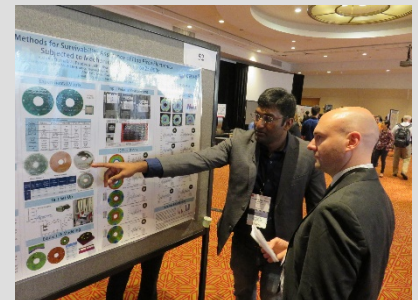

**Best Poster Awards: Industry, National Lab and Student categories!**

Misconception: *Presenting in a technical session is enough...*

Reality: Presenting a poster is a good opportunity to develop strategic partnerships, funding opportunities, and cross disciplinary interaction.

**Help us help you...  
SUBMIT NOW!**

With better numbers of participants up front, we can solicit funds that will promote attendance, leading to more of these career-changing interactions...

**Boost your CV!**

**Best Poster Awards**

in these categories:

- *Best Student Poster*
