PROGRAM Technical Tour
Statoil Research Centre and Marine Technology Centre

You have now the possibility to sign up for a guided tour at Statoil’s, SINTEF Ocean’s (former MARINTEK) and NTNU’s unique marine technology laboratories. Statoil is an international energy company with operations in 36 countries. SINTEF is the largest independent research organisation in Scandinavia and the fourth largest in Europe. The Norwegian University of Science and Technology (NTNU) is Norway’s premier institution for the education of engineers.
